The #1 NYT Bestselling Series Gets a New Look!

- **NEW PAPERBACK REPACKAGES** timed with the release of Ann Brashares' **new novel**, **THE HERE AND NOW** and will each include an excerpt
- **ANN BRASHARES:** A brand name and an iconic author, Brashares' overall paperback and hardcover track record is extraordinary: the #1 *New York Times*, *Publishers Weekly*, and *Book Sense* bestselling Sisterhood series made her one of the preeminent novelists for teen girls. As the *New York Times* says, "If the name Ann Brashares means nothing to you, you probably don't have a teenage girl in your house."
- **BESTSELLING SERIES:** The Sisterhood of the Traveling Pants series was an instant publishing sensation and a *New York Times* bestselling series which has now **sold 9 million copies** across all formats in the US and Canada. The books were adapted into two hit motion pictures which have since become a phenomenon in their own right. The movies have regular airings on ABC Family and as recently as October 2013, *Entertainment Weekly* spotlighted a cast reunion featuring the actresses and their steadfast friendship. **The Sisterhood—the books, the movies—have become a part of the cultural zeitgeist.**
